Yeading Junior School

Design and Technology

Year 3 pupils have been learning about a variety of fabrics and sewing techniques. They focused on running stitch and children then designed and made their own key ring decoration using fabric.

Year 5 pupils have been honing their planning, designing and construction skills to create moveable cam toys using mechanisms that you might see in a clock. They enjoyed this hands-on activity immensely!

Year 4 and Year 6 will be working on their DT projects next week,

Financial Education

Children will be spending their hard-earned Yeadoes at the Yeadoes Shop next week. Dojos earned in class will be converted in to our school's currency, Yeadoes. Children will have the opportunity to purchase items using their 'money'.

Every Wednesday after school, Year 3 and 4 children have the chance to work as a class to win the battle of the bands guitar trophy on Times Tables Rockstars! Questions are algorithm based, so pitched at the child's understanding. Please encourage engagement with the battles and daily 5 minute 'garage' activity. Login details are in your child's planners. Speak to the class teacher if you have login issues.

This week's Battle of the Bands winners are 3B and 4D!

Year 3 and Year 4 Disco

Festive Fun

Children have truly embraced the festive spirit and enjoyed a delightful Christmas lunch in the canteen, they looked amazing in their Christmas jumpers. Yesterday afternoon our school hall was transformed into a vibrant theatre. The children got to watch an interactive performance of Snow White by M&M production, creating wonderful memories that will surely last a lifetime.

We raised **£101.00** for Save the Children's Christmas Jumper Day. The funds raised will help transform the futures of children in the UK and around the world by ensuring that children receive essentials, such as food, water and a safe place to stay. Thank you for your kind donations.
