

Yeadon Junior School

05/02/26

Dear Parents/Carers

It has come to our attention once again that some of our pupils in Year 6 are accessing social media i.e TikTok. As you are aware, and we have also communicated previously, social media including TikTok and Snap Chat has a minimum age restriction of 13 years, which means that no pupils in our school are of age to be accessing these platforms. If they are, it raises serious concerns that they may have misrepresented their age, which will expose them to inappropriate content and material. It also goes against our school values - in particular integrity.

We want to ensure the safety and well-being of all our pupils, and it is crucial that we address these online platform dangers together. Therefore, I have attached a letter that provides more information about the risks associated with using platforms like TikTok.

Thank you for your attention to this important matter and for your continued support in keeping our pupils safe.

With best wishes,

M Hall

Headteacher
