3A and 3B Pedestrian Training

Our Year 3 children have now all participated in pedestrian training led by officials from the London Borough of Hillingdon.

The training focuses on promoting and encouraging road safety including active and sustainable travel. During the training children reflect on the dangers of oncoming traffic along with understanding and dealing with hazards. Children are also instructed to use designated pedestrian crossings at all times.

Attendance

We are delighted to see an improvement in attendance! Lets keep working towards achieving our attendance goal of 96%. Well done to the children who have been coming to school everyday and on time.

There are two scooters and a bike to be won as you are aware.

The attendance tombola will take place on Friday 17th July, where we will announce our attendance winners!

Summer Assessments Year 3 - Year 5

Children in Year 3 to Year 5 will be completing Summer assessments this term.

The children should continue to complete their Home learning as usual, which includes: Doodle English, reading and TTRockstars daily.

No extra work needs to be undertaken at home as the children will be supported for these in class.

Year 6 SATs

Well-done to all the Year 6 children who have completed a successful week of SATs. This is a whole school effort. Well done to all the staff along the way and we are all very proud of the children's efforts.

Parent Volunteers

Thank you to those parents who have put themselves forward to come in and read with the children, it is much appreciated by children and staff.

We still need more reading volunteers, so please contact the office and offer your time if you are able to.

Please contact Mrs Nathoo in the school office at 01895462396 or office@yeadingjunior.co.uk

Reminders

- A water bottle should be brought in daily so that children can stay hydrated and not need to leave the class for a drink during lessons.
- Consideration of others – please do not park on the yellow lines.
- Please ensure that any reading books borrowed from the class or school library are returned in good condition. Treating our school property with respect makes a big difference for everyone and we want these books to last for as long as they can.
