### Coming September Opal Project

From September 2025, we will be starting a play scheme called the Opal project to improve opportunities for our pupils' physical activity, socialisation, cooperation, coordination, resilience, creativity, imagination and enjoyment through improved play.

We look forward to inviting you to see the project in action in September.

### Year 6 Graduation

We are thrilled to announce that our Year 6 students have officially graduated!

Congratulations to all of them for reaching this significant milestone. We are incredibly proud of their achievements and the hard work they have put in throughout the years.

As they transition into high school, we wish them all the best for a successful journey ahead. May this new chapter be filled with exciting opportunities and wonderful experiences!

## Summer Fayre

We would like to thank all of the families for their incredible support of our recent summer fair. It was truly an amazing event, filled with joy and community spirit.

Thanks to your generosity, the school raised over £800! This will go a long way in supporting our school activities and enhancing the educational experience for all our children.

## Year 3 Trip to Royal Mews

We are excited to share that Year 3 had a wonderful visit to the Royal Mews at Buckingham Palace! The children enjoyed the opportunity to see the magnificent royal coaches and learn about their history.

Along with the tour everyone had a lovely picnic in Green Park, making for a perfect day filled with fun and learning.
