

Yeadon Junior School

Dear Parents/Carers

09/09/25

There have been significant issues with a small number of children transferring to preferred secondary schools last year so it is important you are fully aware of what you need to do.

We would like to invite you to our upcoming Year 6 secondary school process meeting on **Wednesday, 17th September at 3:30pm** in the school hall. This meeting will be a wonderful opportunity for you to gather important information regarding your child's transition to high school.

During the meeting, we will discuss:

- **Timelines of actions to complete**
- **Open Evening dates**
- **Submission and offer dates**
- **Understanding catchment areas and how these work**
- **Admissions Policy**
- **Admissions Process**

We will also have staff to translate and support in the majority of languages spoken at our school.

We look forward to seeing you there!

Regards

M Hall  
Headteacher
