Yeading Junior School

Sports

We are thrilled to share the exciting news from Year 6's first football match of the season against Belmore School! The team demonstrated incredible determination and truly reflected our character virtues of resilience, integrity and teamwork throughout the game.

It's wonderful to see how these qualities shine through in our children, and it made for a fantastic and spirited match. The team secured a well-deserved victory, winning 1-0!

Meet our House Captains

We are pleased to introduce our House Captains for this year! All of the children who applied and interviewed should be very proud of themselves! Well done to our House Captains for 2025 - 26. House Captains will be having House meetings next week where they will share upcoming events and motivate their teams to earn house points through the week!

Trip

Year 5 and Year 6 have had exciting trips into London visiting museums. Year 5 had the opportunity to explore the Natural History Museum linked to their history topic this term, while Year 6 visited the Science Museum linked to their study on the human body. These trips not only provided a fun outing but also reinforced the children's learning.

Pantholon

Selected students had a fantastic time attending the Pantholon at Oakwood High School! They not only participated in a variety of exciting activities but also managed to secure a prestigious Bronze medal for our school.

Reminders

- As the weather gets colder please ensure your child brings a coat to school with their name labelled on it.
- A water bottle should be brought in daily
- Please ensure your child reads at home for at least 20 minute

The school library will be open soon for children to borrow books. This is a wonderful opportunity for them to explore new stories and authors. We have lots of new and exciting books for them to read.

Please ensure the children look after the books borrowed. If a book is lost or damaged, a charge of £5.00 will be issued to cover the cost. We appreciate your support in helping to keep our library resources available for everyone

Arbor App

We are excited to announce that we have moved our school system (MIS) to Arbor.

Adopting Arbor will allow us to communicate with you more efficiently and bring all core school data and workflows into one system.

The school will be using the Parent Portal and Parent App, and has set up an account for you.

To create your account you just need to set a password. Your username is the email address.

Go to <https://login.arbor.sc> and click **forgot your password?** to finish setting up your account.
